

THE TOWER RESIDENCES AT THE RITZ-CARLTON, DALLAS Hosts a Special Opening Celebration

On October 6, 2009, The Tower Residences hosted a special opening celebration, using the occasion to unveil a new designer showcase residence in The Tower. Leading residents of Uptown, luminaries from the Dallas design scene, guests from The Ritz-Carlton and from Crescent Real Estate Equities, L.L.C., and members of the media enjoyed hors d'oeuvres and specialty drinks provided by The Ritz-Carlton, Dallas. Tours of the enclave's spectacular swimming pool and garden area were complemented by a visit inside the new showcase home with interior design and furnishings provided by Robb & Stucky Interiors and an exclusive look at the private facilities available to Residents, including a fully-equipped fitness center, wine cellar, living room and private dining room with complete catering kitchen for Resident social gatherings. A special highlight was the opportunity for guests to experience the beautiful, enclosed private skyway which links The Tower Residences to The Ritz-Carlton, Dallas hotel Spa and Fearing's.
